NOBILI ET MAGNIFICO VIRO AC DOMINO, GEORGIO VOLCAMERO,

Inclytæ Reipub. Norimb. IIviro vigilantiſsimo &c. Suo, Muſarumq; Patrono humili obſervantia colendo.

Salutem & officia.

NObilis & Magnifice vir, Domine ac patrone æternùm mihi venerande. Quòd ingens miſeriarum moles, & graviſsimum ſanè jugum omnibus, ex Adamo progenitis, à die eorum egreſsionis ex ſuæ cujusq; matris utero, usq; ad diem reverſionis in terram, magnam illam omnium parentem, ſint impoſita, non modo propter infinitum imbecillitatum & morborum numerum, quibus in hac miſeriarum valle ſubjecti ſumus, oportet fateamur: ſed & inſuper, quod perſecutioni, calumniæ, odio & Invidiæ, ceterisq; multifariis ejuſdem generis procellis (quæ tamen omnia ab Altiſsimo, ut animarum noſtrarum ſaluti inſerviant, nobis injunguntur) quolibet die, quâlibet horâ, imo quolibet momento ſumus obnoxij, abundè edocemur. Cujus rei exemplum etiam ex me capio, contra quem ante paucos annos, terribiles ſimultatum atq; inimicitiarum fluctus, adverſariis quibusdam meis inſtigantibus commoti, inſurgebant; adeo, ut parum aberat, quin meæ ſalutis navicula illis obruta, & tota fuiſſet ſubmerſa. Quandoquidem, qui manu ſubveniret auxiliari, inveniebam neminem: donec tamdem in amœniſsimum Sacroſanctæ ſcripturæ hortum exſpatiatus, omnis generis fragrantiſsimos ibidem colligebam floſculos, ex illisq; confectum ſertulum perturbato meo adhibebam animo: inprimis verò ex divinis Regij Prophetæ pſalmis, qui me nimium quantum recreârunt. Unde ſucceſſu etiam temporis nata mihi præſens ſacrorum hymnorum congeries, quam Magnif. & Ampl. Veſtræ cum debita animi devotione, jam offero. Et quamvis quod

Nomini ejus hoc leve & breve cantionum mearum opusculum dedicare, subq; Ipsius patrocinio & tutela in lucem emittere fuerim ausus, à non-nullis sinistrè posit interpretari: nec tamen desistere ab hoc meo proposito, tribus potißimum de causis, potui, nec volui.

Et primò quidem, quia Magnif. & Ampl. vestra non tantùm singulari amore atq; favore nobilißimam Musices scientiam prosequatur; sed & modis omnibus Illam promotam cupiat; imo non raro animum, gravioribus Reipub. caussa exantlatis laboribus lassum, mirificè illâ reficiat.

Deinde, quoniam, quotiescunq; præstantißimorum etiam Musicorum cantilenis, meæ quoq;, quamvis jejunæ ac steriles, intermiscebantur, hasce præ reliquis Magnif. & Ampl. Vestram, præter omnem quidem spem meam, non solùm (præfiscine!) adprobasse, sed & ijsdem delectatam fuisse quàm maximè, haud obscurè intellexerim.

Quibus tamdem accedunt summa illa in me collata, sæpiusq; iterata beneficia ita ut etiam, cui promotionem meam, functionemq; adeo honestam, acceptam referam, nullum (si DEUM *excipias) quam Vestram illam Magnificentiam reperiam. Accipiat igitur hasce ob caussas & boni consulat hancé meam qualemcunq; Lucubratiunculam, & uti hactenus, citra quidem meritum meum, ita in posterum quoq; sibi me habeat commendatißimum: mihiq; suo clientulo, sub favoris sui clypeo crescendi det copiam: firmiter credens, quòd, ut* DEUS *ter optimus & ter maximus Illam Ecclesiæ, Reipub. bonisq; omnibus, quà animâ quà corpore salvam & incolumem, ad altos Periclis annos conservare velit, noctesq; diesq; vota fundere numquam sim intermissurus. Dab. Norimb. die XV. Maij Anni, à nato Salvatore supra millesimum, & sexcentesimum, vicesimi.*
